

#metoo

Our February 25, 2018, our worship service explored the #MeToo movement, addressing the painful reality of toxic masculinity, the devastating and long-term effect of sexual harassment and violence on victims, and how together, we can change our culture by actively promoting the inherent worth and dignity of all.

Our Pastoral Associates and Ministers are available to meet and listen. Or, if you would like to gather with a like-minded group in a listening circle, contact:

Intern Minister Kellie Kelly at kkelly@uniktytemple.org or
pastoralassociates@unitytemple.org.

Trained facilitators are prepared to lead small listening groups.

There are many resources for victims of sexual assault and abuse.
