

## SOUL CONNECTIONS Registration Form

Soul Connections groups are groups of 8-12 people who engage on a monthly basis with our theme-based ministry materials. Participants are members of Unity Temple Unitarian Universalist Congregation or have completed both Introduction to Unitarian Universalism and Pathways to Membership. Each participant commits to a Soul Connections group for a 12-month period, making monthly meetings a high priority, engaging with an open mind and listening heart, and agreeing to the group's covenant.

I am interested in joining a Soul Connections group.
