

**This is the season to renew your financial support and your membership.**

We at Unity Temple UU Congregation face a time of renewal, with challenges, and also opportunities. We thank you for your ongoing investment in our community. You are a gift to us. During our Annual Fund Drive please take time to reflect upon what you need from UTUUC, along with your intended contributions of talent and treasure. Our Developmental Minister, Rev. Roger Bertschauen, will help us find our way in growing into our shared future.

**Funding our mission will help us reach these goals:**

- Nurture and support each other in seeking spiritual growth
- Deepen relationships in our community
- Strengthen our wonderful programs
- Position our congregation for success going forward
- Become partners, stakeholders, not just consumers of our programs

**What's in it for you and me?**

- Fully engage in our programs for yourself and family.
- Grow spiritually with us.
- Find a sense of belonging and live deeply into life with our community.

The UTUUC Auction Team generously offered \$15 in Auction Bucks for the 2024 auction to all who send in their pledge form before November 1st. We need to get pledge information in by then so that the Finance Committee and Board can have solid numbers to use in the budget process. Let's support all of our wonderful programs!
