

Fair-Share Giving Guide

You are the only one who can decide how much to give. Feel the joy of your generosity. We hope that you will view your participation in our UTUUC community as a stakeholder and partner, rather than as a consumer. Seek all that you need from our community, and give all that you can. Your gifts support you and everyone else in our congregation.

Each person's financial situation is different. Give what you are able to give. No gift is too small. Here are some things we ask you to consider.

In the spirit of the Congregationalist tradition; we are individually and collectively responsible for resourcing our movement and our congregations. This is an honor system; only you know your circumstances.

We ask you to look at your discretionary income and determine what you are willing to donate from that source of money.

While we would love to have everyone in our congregation give 5 to 6% of their income to our community, we know that many of you cannot. Can you offer 1, 2 or 3% of your income?

For those at higher income levels, please consider the Progressive Tithe: 5% of your income to your church and 5% to other charities.

We hope all our members and friends will consider deeply what their gift can do for our community.
